Congressmen visit Nicaraguan refugees

Congressmen Berkley Bedell [D., Iowa], second from right, and Robert Torricelli [D., N.J.] talk with Nicaraguan refugees in Jacaliapa, Honduras, over the weekend. The congressmen said they are inve-

stigating U.S. support of rebels battling the leftist Sandinista government in Nicaragua. The Sandinistas have accused the CIA of supporting the rebels and helping them launch attacks from Honduras.
